CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Pahokee Citizens Okehed Huge Drainage Program

Excess water and flooding in parts of the City of Pahokee will be a thing of the past in the not too distant future. Citizens on Tuesday of this week voted to empower the East Beach Water Control District to inaugurate a new \$300,000.00 drainage program to modernize the drainage system. The vote was 141 in favor and 8 against.

Adoption of the new program in the Pahokee area kicks off a water control improvement project that authorizes district directors to build new canals and drainage ditches and clean out existing ones.

Approval also authorizes construction of a new and more powerful pumping station.

The project will be financed by issuing bonds not in excess of \$300,000, in addition to levying special assessments on lands benefitted by the improved water control measures.

District directors have indicated that taxes will increase from the present \$3.50 per acre, but no figure can be made available until engineers get an estimate on the whole program.

The new facilities are expected to relieve heavy flooding conditions which occur here during periods of prolonged rain.

County-Wide Meet Red Cross Aug. 28

BARTOW — A new scholarship program for county agents, designed to increase the effective use of communications in agriculture, will be inaugurated this summer. Announcement of awards to 15 county agricultural extension agents will be made in New York September 9.

The scholarships, sponsored by International Minerals and Chemical Corporation, will be awarded during a dinner preceding the annual meeting of the National Association of County Agricultural Agents.

In announcing the new program, IMC said the scholarship awards are designed to further develop the county agents' abilities in communicating to farmers the latest agricultural ideas and developments.

Three winners have been selected by a N. A. C. A. A. appointed committee in Florida and the other four states participating in the first year's scholarship competition.

Recipients will use the grants to attend extension summer or winter school during 1962.

"The county agents benefiting from these scholarship awards will be selected on the basis of their desire to insure competence in communications or related subjects," explained Howard H. Campbell, national president of the N.A.C.A. A.

Local Lions Plan For Ladies' Night

H. H. Sears, vice president of the Canal Point Lions Club, presided over the meeting Monday night in the absence of the president, J. G. Weeks.

The third Monday night in September will be Ladies Night and a reception in honor of the Canal Point Teachers. Mel Paul, Albert Fremd and A. W. Jones were named on a committee to select and buy the favors for the occasion. Bill Hobson, Assistant Coach of the Pahokee High School, and a member of the Okeechobee Lions Club, was a visitor.

The program chairman was out of town so the time was spent on small business matters.

Junior College Evening Classes Available Again

Palm Beach Junior College is again expanding its Evening Division Schedule in the Belle Glade area, according to Dr. Paul W. Graham, Director of the Program. Beginning with the fall semester of 1961, the Belle Glade Center of the College will offer a wide variety of subjects providing greater educational opportunities for the residents of the western section of Palm Beach County.

Registration will take place at the Belle Glade High School on Friday, September 1, between the hours of 2:00 and 5:00 p. m. and 6:00 and 8:00 p. m., with classes beginning on Tuesday, September 5.

Courses being offered include: Art Appreciation, General Psychology, Human Institutions (101 and 102), Horticulture, Ancient and Medieval Civilizations, Educational Psychology, Accounting Principles, Freshman English (101 and 102), Mathematics for General Education 203 (Recreational Games.)

A minimum enrollment of fifteen persons is needed to establish a new class.

For additional information, please contact the office of the Director of Evening Classes, Palm Beach Junior College, 4200 South Congress Avenue, Lake Worth, Florida or telephone JU 2-5301.

Registration At Pahokee Hi Aug. 31

Registration for Pahokee Junior-Senior High School will be held Thursday, August 31st, from 8:30 to 12:00 o'clock. All new students are to report to the office of the Guidance Director for registration.

Old students are to go to designated rooms according to the chart which will be posted on the Bulletin Board in the front corridor. Busses will not run on registration day.

Baptist Vacation Bible School Is Grand Success

The Canal Point Baptist Church closed its Vacation Bible School on Wednesday night. This School was acclaimed as one of the best in the Church's History. There were four Departments of Classes, Nursery, ages up through 3; Beginners ages 4 and 5; Primaries ages 6, 7, 8, Juniors 9, 10, 11, 12. Then there was a class at night composed of ages 13 through 24.

The total enrollment was 77, with an average attendance of 64. Mrs. Jim Gifford served as the Principal of the School. The Following helped in the various Departments: Nursery, Mrs. D. P. Hughes, Superintendent; Mrs. H. H. Pugh, Miss Gloria Strayer and Miss Pat Gandy assistants.

Beginner Department, Miss Betty Echols, Superintendent; with Mrs. J. H. Strayer, Mrs. Guy Thompson, Miss Peggy Turner, Miss Bonnie Geiger, Miss Jewel Sikes served as helpers.

Primary Department Mrs. Charles Brown, Superintendent; Mrs. W. S. Cross, Mrs. W. C. Fountain, Mrs. E. C. Cowart, served as helpers.

Junior Department, Mrs. J. S. Atkins, Superintendent; Mrs. R. J. Maxson, Miss Gail Burns, Miss Dorothy Paige, Miss Sheryl Pierce assistants.

Mrs. James Gibson served as the Secretary, assisted by Mrs. S. A. Nail. The Woman's Missionary Society furnished refreshments daily and also provided the food for the picnic which was held on Wednesday morning.

Mrs. Charles Maxson directed the Youth Retreat Group, which met at night in the Church. Jim Gifford, Ed Cowart and the Junior Boys and the older boys directed the wood-working which was used to make some items of equipment for the new Building, especially to be used in the Nursery. Mrs. Paul Rardin assisted Mrs. Charles Maxson. The Young Girls made stuffed animals for the Nursery Age group.

Because of the construction of the new Building, all the day-time classes were held in the Community Building.

Marriage Papers At Glades Offices

Marriage licenses may now be obtained at the Glades Office Building it was reported by County Commissioner Paul Rardin. County Judge Paul C. Douglas has made the applications and licenses available through Mrs. Pope's office.

Those wishing to make application for licenses may now apply at Mrs. Pope's office. They may bring health certificate at the time of making the application, or they may present it at the time they pick up the license, she said.

This service for Glades residents has come after long efforts to secure it. Heretofore, many Glades residents have gone to adjoining counties to get marriage licenses.

Bus From Glades To Junior College To Be Available

Prowlers Pay Visit To Dr. Young Home

Dr. and Mrs. W. C. Young and family of Port Mayaca returned home last Wednesday from a ten day vacation with her parents in Maryland. While they were away a prowler broke into their home through a glass jalousie door in the rear of the home.

An estimated value of \$300.00 loss on the goods stolen, nearly all of their linen and towels were taken. Besides the linen only other articles stolen were guns, seven of a collection which had been in the family for a long time and one shotgun belonging to Walter.

You Can Tell Phone Company About Its Service

Every Telephone customer in Pahokee, Canal Point and Port Mayaca will receive a post card from the telephone company during the month of September, asking for his comments and criticisms of his telephone service and the company that provides it, according to Bob Lee, Manager for Southern Bell Telephone Company here.

Lee calls the project a post card canvass. "In making the canvass, we'll mail a double post card to each customer. The first cards will be mailed about September 1st, so people will start receiving them about the 5th or 6th. We hope that everyone will take a minute to fill out the return half of the card and mail it to me."

"We're not necessarily seeking compliments," the Manager points out. "If any of our customers have criticisms, we would like to know them. Comments like these help us give our customers the kind of service they want."

Similar post card canvasses are planned for many other areas where Southern Bell Telephone Company operates. The purpose is to find out which customers have complaints so that the company can try to remove the causes of these complaints.

"Our most important job is giving our customers the kind of service they desire," Lee said. "We'll contact everyone who replies unfavorably and make every effort to clear up the source of his dissatisfaction."

Frank Hines Is Member Of Rotary

Pahokee Rotary club received as a new member last Thursday, Frank Hines, Florida Power and Light Company employee. Mr. Hines was inducted into the club by Past President W. K. (Hank) Aldridge.

Mr. and Mrs. Raymond Taylor of Pahokee returned home Monday after a three weeks visit with his parents in Kelo, Tenn.

Bus transportation from the Glades to Palm Beach Junior College will be provided this fall.

A bus will leave Pahokee High School at 7:10 each morning and will travel to Belle Glade High School at 7:30 A. M. will make a stop at Royal Palm Beach at 8:30 A. M. will stop 300 feet west of Four Points at 8:40 A. M., and will arrive at the College at 8:55 A. M.

The bus will be No. 50. It will make its first trip to the College on Thursday, August 31. This is for the Orientation program. It will make a trip again to the College on September 6 for registration of these transported students, and will make the trip each day from September 8 on.

The departure time of the bus from the College will depend upon the schedules of the transported students. It is hoped that the bus will be able to depart from the College at 3:30 in the afternoon.

Any further information desired about this bus may be obtained from Brooks Henderson, Principal of Pahokee High School and Pellon Morris, Principal of Belle Glade High School, or by calling the College at Lake Worth.

Florida Economy Gained First Half Of 1960

Florida's basic economy gained strength during the first half of this year although some business indicators still remain at lowered levels, the Florida State Chamber of Commerce stated yesterday.

"On the good side was a slight improvement in non-farm employment. June's index (a measure of the employment level) stood at 207 compared with 204 in January. For the first monthly gain since November 1960, June's employment total pushed ahead of last year, though the gain was fractional.

"Three leading employment centers, Escambia, Orange and Polk counties, have chalked up gains in employment each month during the first half of this year. Duval fell below only one month. Other large counties for which reports are available did not fare so well and three centers ran below 1960 during each of the first six months this year.

"There are other bright spots. Cash income received (through May) by the state's farmers and ranchers was 17 per cent over 1960 and 5 per cent over the peak year 1959.

"In addition, wages in manufacturing plants have bettered this year over 1960; savings in financial institutions are considerably above last year; non-farm mort-

gages volume shows improvement and business incorporations have turned upward again. Gains in gasoline sales, though not so strong as previously, were up 2 per cent through June this year.

"The other side of the coin shows Floridians following the national trend in tightening up on spending. Measured by sales tax receipts, business in only one month this year equaled 1960 and the six month take on business in January through June was 3.3 per cent below 1960. Even then, this was a little better than a 4.4 per cent drop during the first three months this year.

"Bank debits, which have had a long history of large over-the-year gains in Florida, barely nosed out 1960 during the first six months this year. Three monthly drops were registered.

"Currently the condition of Florida's economy stands up well when viewed against most other states. But the long-term Florida needs are multiplying with the state's population gaining at a faster rate than income," the trade body concluded.

SALUTE TO FLORIDA COUNTIES • GILCHRIST

COUNTY SEAT - TRENTON

Gilchrist County was formed in 1925 from the western portion of Alachua County and was named for Governor Albert H. Gilchrist.

General agriculture and the lumber industry comprise the county's principal sources of income.

The County is noted for its growing of watermelons and the raising of hogs which is the largest single source of income in the county.

There is a large quantity of standing timber, principally pine and cypress, and turpentine distilleries are a major source of income.

In progressive Gilchrist County, and throughout Florida, the United States Brewers Association works constantly to maintain the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of the people of Florida, the Association stresses close cooperation with the Armed Forces, law enforcement and governing officials.

**Here's what the new 3¾% interest rate
on U.S. Savings Bonds means to you:**

\$3 = \$4 *fourteen months faster than before*

***The Bonds you own are better
than ever, too***

The new 3¾% rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.

Then, all older Bonds, both Series E and H, pay more now—an extra ½% from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity.

These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

More advantages of U.S. Savings Bonds

You can save automatically. Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remem-

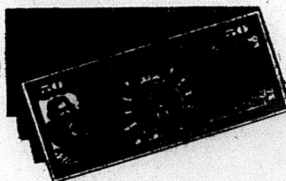

ber, the money you don't touch can't slip through your fingers.

You can get your money, with interest, when you need it. Your Bonds are a ready reserve to use anytime you wish. But, it pays well to hold them.

Your savings can't be lost or stolen. The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.

You save more than money. The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound.

Start saving with U.S. Savings Bonds today. You'll save more than money.

Expansion Cash Is Readied By Phone Company

The Southern Bell Telephone Company plans to spend approximately \$150,000.00 to improve and expand its facilities in the Glades Area, it was announced today by Bob Lee manager for the company.

Included in the project already under construction at the corner of S. W. Avenue E and State Road 715 in Belle Glade, will be a work center, store room, and a 227 foot microwave tower. The building will be constructed by Butler and Oenbrink, Inc. of West Palm Beach and the Tower Construction Company of Sioux City, Iowa, has contracted to build the tower, Lee said.

The microwave Tower and related equipment in Belle Glade is a part of the long distance facilities collecting West Palm Beach, Belle Glade and Fort Myers and will provide more new circuits between these points. This will mean improved service to and from the Glades Area of long distance callers.

Mr. Lee stated that the completion date is scheduled for October 14, of this year but the exact service date has not yet been established. It will however be in time for the winter season.

INTERESTING FIGURES

Ten Palm Beach County people died of TB in 1960 as compared to 7 in 1959. During the first three months of this year, 6 more of our neighbors died of this controllable disease.

Deaths throughout the state totaled 206 in 1960 as compared to 226 in 1959.

New cases of TB declined in the state from 1595 in 1959 to 1444 in 1960. If the cases transferred from other states, and thus new to Florida, are included, the figures are 1772 for 1960 and 1989 for 1959. Figures are not available for the number of relapsed or reactivated cases.

Palm Beach County reported 91 new cases for 1960 as compared to 101 for the year before. During the first 6 months of 1961, the county had 50 new cases and 16 reactivated.

Miss Carrie Elliott Weds H. E. Grantz, Jr.

Last Friday evening at 7:00 P. M., in a simple ceremony at the Church of God in Belle Glade, Miss Carrie Lee Elliott, daughter of Mr. and Mrs. John Lee Elliott, was united to Howard Edward Grantz, Jr., son of Howard E. Grantz, Sr., of Sutherlin, Oregon. The Rev. Davis officiated.

The bride wore a street length gown of white organza over tulle and taffeta, fashioned with cap sleeves, round neckline and empire waist. Her accessories were white and she wore an orchid shoulder corsage.

The matron of honor, Mrs. B. A. Geiger of Canal Point, wore a beige embroidered linen sheath, pink accessories and a carnation corsage.

The best man was B. A. Geiger. Mrs. Elliott chose for her daughter's wedding a sky blue Shantung dress, with white accessories and her flowers were carnations.

A small reception was held at the Elliott home for family and friends.

Mrs. Grantz attended Belle Glade High School. Mr. Grantz gradu-

ated from Bell Township High School in Salina, Pa. He is employed by J. G. Weeks and Son of Canal Point.

Pick your savings target and shoot straight for it!

A here... financial security... a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bullseye and walk off with the big prize you want.

The secret of saving is option. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Savings Bonds.

Because Savings Bonds earn good interest—3% compounded annually when held to maturity (9 years and 4 months)—they're even worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 10 years and 6 months. That means a return of up to 60% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$4.00 a week. In 5 years you'll have Savings Bonds worth \$200 in cash; in 10 years, \$400.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or have it bought in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

Christian Science Group Of Canal Point

Significance for today of the healing theology of Christ Jesus will be explained at Christian Science services Sunday.

Scriptural readings in the Lesson-Sermon entitled "Christ Jesus" will include this verse from Matthew (9): "And Jesus went about all the cities and villages, teaching in their synagogues, and preaching the gospel of the kingdom, and healing every sickness and every disease among the people."

One of the correlative citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states:

"The highest earthly representative of God, speaking of human ability to reflect divine power, prophetically said to his disciples, speaking not for their day only but for all time: 'He that believeth on me, the works that I do shall he do also'; and 'These signs shall follow them that believe' " (p. 52).

APPRECIATION

Picture of a Promise

*Sure, she's a grand old flag!
 That's why we salute her.
 That's why we pledge allegiance to her.*

That pledge, in its simplest terms, is another way of saying, "Count me in. You're my country and I love you and need you. Your problems are my problems, and I'm with you all the way."

Your country's biggest single problem is the perpetual responsibility for keeping the peace its people want. You can help with this problem by remembering this:

Peace costs money. Money for military and industrial strength. Money for science and education. And money saved by individuals—by you—to help keep the economy strong. Bonds provide this money.

Help Strengthen America's Peace Power Buy U.S. Savings Bonds

NOW PAYING 3% INTEREST

The U.S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, The Advertising Council and

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half, then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{2}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{2}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH U. S. SAVINGS BONDS

MR. AND MRS. HOWARD FREDERICK CANTRELL

Miss Sandra Kay Upthegrove Becomes Bride Of Howard F. Cantrell August 11

To the strains of "Because" and "The Lord's Prayer", Miss Sandra Kay Upthegrove, daughter of Mr. and Mrs. Osceola Upthegrove of Canal Point, became the bride of Howard Frederick Cantrell, son of Mr. and Mrs. A. G. Cantrell of Utah, Alabama, on Friday evening, August 11th, at 7:30 p. m. The double ring ceremony was performed by candlelight in the Canal Point Methodist Church, which was decorated with palms, baskets of palms, white mums and pom-poms, with white satin ribbon gracing the pews. The Rev. Robert Shelley, pastor, officiated. The traditional wedding marches were also played by the pianist, Miss Betty Johnson of Canal Point. Robert O. Lampi of Pahokee was soloist.

The bride, given in marriage by her father, wore a floor length gown of white Chantilly lace over satin, designed with fitted bodice and sabrina neckline, re-embroidered with seed pearls and paillettes, bouffant skirt ending in a chapel sweep. Her fingertip, four-tier veil of French illusion was attached to a contoured tiara of imported scroll braid and pearls. She carried a cascade bouquet of white pom-poms and ivy.

Mrs. Robert Higgenbotham, sister of the groom, was matron of honor and only attendant. She wore a pink street length gown, fashioned with a lace bodice, taffeta skirt with an organza over skirt. She wore white accessories and her bouquet was identical to the bride's in pink.

Mrs. Upthegrove chose for her daughter's wedding a white linen sheath with pink accessories and wore a corsage of pink pom-poms. Best man was Robert Higgenbotham, and ushers were Eddie Upthegrove, brother of the bride and Eustis Blackwell.

A reception was held in the Educational Building of the church with Mrs. Elmer Maxson, Mrs. Eustis Blackwell and Mrs. J. H. Miller as hostesses. Presiding at the bride's book was Miss Sandra Lampi of Pahokee. Miss Marlene Scott served the punch and Miss Ladora Crosby the wedding cake.

The bride was graduated from Pahokee High School in June.

The bridegroom attended schools in Okeechobee and is now employed by Florida Food Products.

For their short wedding trip, the bride chose a sky blue dacron dress

styled with a pleated skirt, tucked bodice and square neckline. She wore white accessories and a white pom-pom corsage.

The young couple are now at home at 825 E. Main Street, Pahokee.

Among the out-of-town guests were: Mr. and Mrs. John Swindle and Mr. and Mrs. Fred Postell and family of Clewiston; Mr. and Mrs. Ralph Griggs and family of Stuart; Mr. and Mrs. Thomas Maniotis, Mr. and Mrs. J. H. Cantrell, Rev. and Mrs. C. S. Upthegrove and family, Mr. and Mrs. Earl Davis and family and Mr. and Mrs. Otis Farabee, all of West Palm Beach; Mr. and Mrs. Edward Cantrell of Ft. Valley, Ga., and Mr. and Mrs. J. P. Cantrell of Fort Pierce.

Miss Powell Tells Of European Visits

Miss Margaret Powell, daughter of Mrs. Ora Powell of Pahokee and former member of the Pahokee High School faculty, spoke at the evening services of the First Baptist Church of Pahokee last Sunday.

Miss Powell has recently returned to the states after spending the past two years teaching in Augsburg, Germany. Before returning home she made a five weeks tour of Denmark, Norway, Sweden, Finland and Russia. During her overseas stay she visited 22 countries including the Holy Land and Egypt.

In her talk she gave a word picture of the trials and hardships the Christian people of Russia endured to attend church and worship. The Baptist Church in which she attended services in Moscow served as a worship place for three times as many people as the church was supposed to hold. Everyone seemed very anxious to hear the words and have a part in the services. Laws there forbid Sunday School classes and only adults over 18 years of age are allowed to join a Protestant Church.

The people as a whole are very friendly.

Mrs. Emma Wheeler plans to go to Moultrie, Ga., to visit her son, L. S. Wheeler after spending several weeks here with her daughter, Mr. and Mrs. J. M. Elliott in Pahokee.

The Farm Front

Few people in Florida today realize how many ways the State Department of Agriculture touches their lives.

From the infant whose formula includes fluid milk to the aged "senior citizen" whose diet may be restricted, food inspection services performed by the Department are of vital importance in protecting health and well being.

A rapid increase in recent years in the numbers and variety of processed foods, "ready to serve" items and many that are assembled in forms to lighten the housewife's work has resulted in a heavier responsibility for the Department's food inspection service.

Although we are required to take a considerable volume of foods of many kinds off the market every year because it does not meet our requirements for health and sanitation, the Department also is performing a valuable service to the state's great vegetable growing industry.

Tests of vegetables for pesticide residues prior to harvesting have enabled many growers to save thousands of dollars by delaying harvesting until residues drop to permissible levels.

Florida's law regulating processing of foods and their ingredients is patterned after Federal regulations. There is close co-operation between our state service and Federal authorities in Washington whose nationwide experience in this regulatory field, and vast resources for research assist us to keep abreast of every new development.

Conner Names 3 Advisory Council

TALLAHASSEE—Commissioner of Agriculture Doyle Conner today named three persons to the Florida Agriculture Advisory Council completing the membership of that counseling group.

Appointed to the council for the agricultural interests and terms of office indicated were Fred J. Wesemeyer of Ft. Myers, flower industry, January 1962; Harry T. Vaughn of Clewiston, sugar, January 1963; and Felix H. Uzell of Sebring, apriary, January 1962.

Wesemeyer is a flower grower of long standing and is presently associated with A. and W. Glads, Inc., of Ft. Myers. Vaughn is president of the U. S. Sugar Corporation in Clewiston, while Uzell is currently serving as president of the Florida Beekeepers Association. All three were nominated for membership to the council by their respective groups.

Two of the appointments were authorized by the 1961 Legislature which approved adding representatives of the flower and sugar industry to the 29-man advisory council. In his letter of appointment, Conner welcomed Wesemeyer and Vaughn as representatives of two important segments of Florida's agricultural industry.

Uzell was named to serve the unexpired term of Phil Packard of Oviedo who resigned to accept the position of chief apriary inspector for the Department of Agriculture.

Members of the Agricultural Advisory Council represent various interests affected by activities of the Department. They advise, counsel and consult with the Commissioner on programs relating to agriculture and various regulations enforced by the Department. Colin English of Tallahassee is chairman of the Council.

Mr. and Mrs. Robert Meyer and Rick Meyer were weekend guests of Mr. and Mrs. J. V. Thomas in Pahokee.

New Optometrist In Belle Glade

Dr. Donald Fiehs, who received his Doctor of Optometry Degree from Illinois College of Optometry, Chicago, has secured office space on S. W. 3rd Street in Belle Glade and now has his office open.

Dr. Fiehs is the son of Mr. nad Mrs. Robert M. Fiehs, Belle Glade. He graduated from Belle Glade High School and completed his preoptometric work at the University of Miami, Coral Gables.

Since receiving his degree in Optometry, Dr. Fiehs interned in the offices of Dr. Phillips in Carmi, Illinois.

NEW YORK VISITORS

Mr. and Mrs. S. S. Scruggs, Sr., of Runyon had as their houseguests last week their daughter and family, Mr. and Mrs. J. E. Clark and children, Skipper, Mike, Glenn, and Regina of Levittown, New Jersey. Also guests in the Scruggs home were Earl Clark, Sr., of New York City, New York and Misses Lilo and Renee Siebert of North Miami.

County Agents In Fine, New Program

The Palm Beach County Chapter, American Red Cross, will hold an Annual County-wide Disaster Meeting, Monday, August 28th at 7:30 P. M. The meeting will be held at the Palm Beach County Health Department, 826 E. Verma Street, West Palm Beach.

We urge your attendance or representation from your group.

Brenda Hall Has Birthday Party

Mrs. Cecil Hall of Pahokee, assisted by Mrs. Willie Scott of Canal Point, honored her daughter Brenda's eleventh birthday anniversary with a birthday party August 21 from 2 to 4 p. m. at their home at 658 Bacom Point Road.

Cake and ice cream was served to approximately 18 guests. Melinda Graham and Kay Hall won prizes.
